Re: York Oil Site - Moira, New York
EPA Request for Information

Dear Mr. Bernas:

We are representing OXY USA, Inc. in conjunction with the litigation that is pending in respect to this York Oil Site and it has asked that we assist in respect to EPA's recent Request for Information.

Our client is apologetic for the delay that has occurred in responding to this Request. It has experienced greater difficulty in locating the old records of the Cities Service Company than it had anticipated. We expect the responses to be in your hands very shortly.

Very truly yours,

PHILLIPS, LYTLE, HITCHCOCK, BLAINE & HUBER
